LIFE AND TEACHINGS OF CHRIST

A survey / glimpse into of Jesus' life and ministry which will focus principally on (1) Yeshua/Jesus' message, (2) Jesus' miracles and (3) Jesus' supernatural methods in a historical and Jewish context, while considering the matter of "fresh revelation" today.

A hugely practical hands-on-study by Dave Ramsey of how to handle money...God's way. If financial peace is what you're after...then this series is for you.

TABERNACLE OF MOSES

You might have heard the saying "The New Testament is in the Old Testament concealed and Old Testament is in the New Testament revealed". The Tabernacle is a picture of what was to come. It describes the seasons of the church and everything in it points to Jesus. A fascinating study of the hand of God in all Scripture

PERSONAL DISCIPLESHIP

"Personal discipleship – Your journey as a disciple (follower & life long learner) of Jesus"

Wednesday AM 10:15-11:00

SPIRITUAL PREGNANCY

Everything requires a process, and in this lecture, we look at the practical ways in which we can conceive, carry and give birth to the things of God in our lives. It requires us to step in, step up and step out as we mentioned already in the vision statement for 2018, and we will be exploring these statements in a more in-depth way.
